FREESTANDING

The Dimplex Fortrose III combines the timeless charm of a traditional wood-burning stove with modern electric comfort. Its realistic 3-sided Optimyst® flames can be enjoyed from the front and both sides, while the detailed log set, adjustable LED lighting and built-in sound create a wonderfully cosy atmosphere. With integrated heating and an easy-to-use remote control, you can effortlessly create the perfect warmth and ambience for any moment.

- 3-sided Optimyst® flames – Realistic three-dimensional flames visible from the front and both sides.
- Improved realistic log set – High-quality log decoration for a rich and authentic look.
- Built-in sound effect – Realistic fire sounds add an extra layer of atmosphere to the flame experience.
- Energy-efficient LED lighting – Modern LED technology creates beautiful flames with lower energy consumption.
- Easy remote control – Conveniently adjust the heating, thermostat and fireplace settings from your sofa.

- Three-sided decorative fireplace.
- Surprising by the floating flame and smoke effect and variable flame intensity.
- Optimyst flame technology, flame patterns by cold water vapour.
- Flames and lamps use energy-efficient LEDs that require no maintenance.
- Comes as standard with a logset
- Powerful fan-assisted heating by safe element that provides additional heating on demand.
- Control all functions of the fireplace from the comfort of your chair.
- Adjustable up to 8 hours.
- Sound effect of crackling wood fire.
- Easy to connect to a standard socket for instant atmosphere.
