Spark 23 I 26 I 28

Experience Better Living

BUILT IN

The Spark electric fireplace – upgrade your existing fireplace or mantel with realistic ambiance and smart features. The Spark electric fireplace is the ideal solution to give your traditional open fireplace or insert a modern, sustainable, and stylish upgrade. This one-sided firebox insert is available in three sizes – 23, 26, and 28 inches, making it a perfect fit for a wide range of fireplace openings and interior styles. Thanks to Optiflame® technology, you'll enjoy a lifelike flame effect over a realistic glowing log bed. The integrated log set adds a warm, authentic touch. With a choice of 13 flame colours and 7 ambient themes, you can create the perfect atmosphere in any room. Easily adjust the flame brightness and speed in three levels, and activate the adjustable crackling log sound for an even more realistic fire experience. The Spark features energy-efficient LED lighting and requires no maintenance. For added comfort, it includes a powerful 2kW fan heater with Hi/Lo/Fan/Off settings and an integrated thermostat function for maintaining a consistent room temperature. You can operate the fireplace directly from the unit, via the remote control, or with the user-friendly Glen Dimplex Connect app, which also allows you to set the sleep timer and 7-day programmable schedule.

- Insert one-sided fireplace.
- 2kW fan heater with Hi/Lo/Fan/Off settings.
- Choose from 13 flame colours and 7 ambient themes.
- Timer adjustable up to 8 hours. Sleep timer & 7-day programmable timer via app.
